

Interview observation CS
middle school - Patrick M. ~~MS~~

MS delivering questions in advance
goal no gotcha questions before in-person

Q: 5 min or less please tell us your story
Enthusiasm lacking

Substitute teacher - was good to
mention this b/c it is directly applicable to the
role. Other experiences weren't really relevant

Q: When teaching in MS, what grades?

Q: What interests you about this position ~~in~~
CS @ Latin?

Q: You mentioned you taught 8th grade, where
and for how long?

- Charlotte, NC
- for year
"not CS"

Joke was genuinely funny

Q: It's been a little while since teaching CS
when was the last teaching of Coding?

Lake View HS 2018...

Date:

when he mentioned Scratch, my ears
perked up b/c directly applicable
to job

Q: Describe what the classroom looks like
w/ Mr. Murphy...

Draw us a picture:

little instruction, lots of group work
↳ this struck me as not ideal
for MS b/c those students
need their hands held

Interviewee

Pat Ques. : What are your expectations?

perked my interest that he was
not familiar w/ code.org (not good)

I think friendliness is important
Kathleen seems so friendly

Reaction - Kathleen + Bobby

Date: . . .

"hasn't taught in a long time"

Bobby
+
Kathleen

"how will the kids relate to him?"

"not to cut off at this time"
