Project	Cell Phone School Policy Review
----------------	---------------------------------

Project Work Statement

Create a 5-7 minute PowerPoint presentation that reviews the Latin School of Chicago's cell phone policy, its impacts, and how it aligns with the latest research and best practices in the education field.

Key Deliverables	Acceptance Criteria
1 PowerPoint Presentation	Must detail Latin's policy, examine its impacts, and express faculty's perspective on the issue. Also must contrast with best practices and at least one other school.
1 Project Portfolio Website	Must contain an executive summary detailing the conclusions of my work at Latin. Must satisfy all Wisconsin DPI portfolio requirements

Exclusions:

- No effort to change any internal policies
- No input from senior leadership, but US leadership will provide limited support and guidance

Constraints:

- Only one additional faculty survey will be permitted next year
- May not have access to other school's official policies or ability to interview their leadership
