Dear colleagues,

We did it! We want to express our sincere gratitude for your support in making this week's **MLK Day of Commemoration** such a meaningful and successful event for our Latin community. We recognize the time, effort, and dedication that goes into bringing something like this together, and we are deeply grateful for your role in helping us honor Dr. King's legacy in such a powerful way.

The collection of experiences on this day is a true embodiment of **Love As A Force For Change**. Please continue to seek out opportunities to show loving-kindness to yourselves and to others. Especially as we navigate a world that often feels uncertain and unsettling, fostering a strong sense of community must remain our top priority.

As a small token of our loving appreciation, we invite all faculty and staff to enjoy some **sweet and savory bites on Monday morning from 7:30 - 8:30 am**. Please find the nearest location and grab some treats for a great start to the week. Thank you!
